The Alpha Warrior Team Tough Challenge is the ultimate test of teamwork and toughness designed to pit high school student teams against each other in a competitive, challenging and fun-filled Alpha Warrior obstacle course race. ### HOW CAN I HELP?

The entry fee is \$250 per team. Our goal is to provide one underwritten entry fee for every school in the competition and remove any financial barriers. Select your high school or allow us to award based on financial need. We will send an underwritten event code to the team(s) acknowledging your support.
