

## Spring Youth Programs Internship

Since 1984, San Antonio Sports has put San Antonio on the global stage. From NCAA Championships to the Rock 'n' Roll San Antonio Marathon, the premier events we've hosted have delivered more than \$900 million for our local economy. But we are not just about big games. We are a nonprofit organization that works every day to transform our community through the power of sport.

The San Antonio Sports (SAS) Internship Program provides an excellent opportunity for participants to gain experience in the many facets and areas that are involved in planning, executing, and promoting events in the San Antonio area. The Youth Programs Spring Internship is centered around the *i play! afterschool and Fit Family Challenge* programs.

This internship is a **paid** position that may include credit hours as determined by the internship program guidelines of the respective college or university.

### **DUTIES AND RESPONSIBILITIES**

- Assist SAS in the *i play! afterschool* day-to-day program managements and the planning and execution of the Valero Volleyball Tournament, Basketball Tournament and Najim Tennis Tournament
  - Assist with the organization and management of equipment
  - Conduct specified coach communication
  - Manage uniform inventory and distribution for program
  - Assist with administrative functions as needed
- Assist in prepping for the Fit Family Challenge program and kick-off 5K
- Serve as event day staff in SAS events outside of the youth department such as the All-Star Football Game, Fiesta FitFest, and the Hall of Fame Tribute Gala
- Other duties/tasks as assigned.

### **THE IDEAL CANDIDATE**

The ideal candidate will be a self-motivated individual with the ability to think outside the box and function well in a team environment. The intern should possess excellent verbal and written communication skills and can manage multiple projects and deadlines. This will be a hands-on position; the more the intern puts into the program, the more he/she can expect in return. The intern will be exposed to various areas of sports management and will have the opportunity to learn more about the marketing, program, and event management process that SAS executes in order deliver high quality events.
