About San Antonio Sports

Since 1984, San Antonio Sports has put San Antonio on the global stage. From NCAA Championships to the San Antonio Marathon, the premier events we've hosted have delivered more than \$1.5 billion for our local economy.

But we are not just about big games. We're a nonprofit organization whose mission is to transform our community through the power of sport. We recognize the link between healthy bodies and healthy minds and work every day to provide sports and fitness programs that inspire children and their families to live active, healthy lives.

About Our Internship Program

San Antonio Sports internships provide hands-on professional experience within a nonprofit sports organization. Interns are welcomed as contributing members of our team and have opportunities to collaborate with staff, volunteers, and community partners while supporting our programs and events throughout San Antonio.

Our internship program is designed to help students apply what they are learning, strengthen their professional skills, and explore career opportunities in sports, events, and nonprofit management. Interns will gain practical experience, receive guidance from members of the San Antonio Sports team, and see firsthand what it takes to deliver impactful community programs and high-quality events.
